Re: Notification of Oral *Ex Parte* in IB Dkt. No. 98-172

Dear Ms. Salas:

On December 1, 1999, representatives of Teledesic LLC met with staff from the International Bureau and the Wireless Bureau regarding the above-captioned proceeding. The Commission personnel present were Julie Garcia, Jennifer Gilsenan, Ed Jacobs, Ron Netro, Michael Pollak, Steve Selwyn, Tom Stanley, and Tom Tycz. Tom Hayden, Suzanne Hutchings, Wayne Longman, and I attended on behalf of Teledesic. In the meeting, we discussed technical considerations supporting the need to designate a full 500 MHz for NGSO FSS downlinks, as well as the need to adopt an economically efficient measure of the compensation obligation to the extent that incumbent users must be relocated. These substantive points have all been covered in written submissions that Teledesic has filed previously with the Commission.

Pursuant to section 1.1206 of the Commission's rules, I am filing two copies of this letter. Please contact me with any questions.

Sincerely

/ s /
